

New Cashless System on its way!

KENT STREET SENIOR HIGH SCHOOL is always seeking to make your interactions with the school more convenient and secure and that's why we have engaged Flexischools, Australia's leading school payment system, to provide a new cashless way to pay for school services.

This system allows **students** to use their **Student Card** to purchase items over the canteen counter while **parents** can monitor purchases online and set daily spending limits.

This system will be available from 3rd March. (Please note the time to clear funds below)

Student Card Payments

Students can now use their student card to purchase goods at the canteen. Parents set up a Flexischools account online and pre-load the account with funds. Students can make purchases at the canteen by swiping their card at the cash register. Parents can view their students' purchases online and can set a daily spending limit on the student's card.

An average lunch at KENT STREET SENIOR HIGH SCHOOL costs **\$8.00**. We would recommend that you set the daily spending limit for your child at **\$8.00** or higher.

Set Up Your Account

Setting up an account is done online and only takes a minute. Simply go to www.flexischools.com.au (**PARENT**) and click **Register**.

You will be sent an email with further instructions on how to complete the registration. **Please ensure you have your student's ID card with you during the registration process.**

If you have correctly added your student's card to your account it should look like this:

If you have not yet added a card to the account, it will look like this:

The system operates via a pre-paid account, so you don't need to search for coins in the morning and can easily budget for your spending throughout the term. There are a variety of payment options supported, including Visa, Mastercard (credit and debit), PayPal and Bank Transfer.

What does it cost?

The cashless card is free to use on the School grounds.

When topping up your account, any applicable top-up fee will be added to the total amount. You have three options for topping up your account:

Direct deposit: Choose this option during top-up to receive your individual **reference number**. You will need to enter this into the reference field when transferring from your preferred account. This method is **free** however normal banking timeframes apply (**2-3 days to clear**).

Credit card: Use VISA or Mastercard to top-up your account or to setup automatic top-ups. This method has a **29c** top-up fee and is **immediate**.

PayPal: Use any of your accounts linked to PayPal to top-up your account or to setup automatic top-ups. This method has a **35c** top-up fee and is **immediate**.
