Certificate II in Outdoor Recreation

Certificate II in Outdoor Recreation develops skills across a range of outdoor pursuits through a mix of classroom based learning and then application outdoors. As this qualification requires water-based activities a proficiency in swimming is essential.

Certificate II in Outdoor Recreation activities include:
- Canoeing
- Camping
- Snorkelling
- Surfing
- Work Experience
- Small Boat Handling
  - Trip preparation and planning
  - Safely operate a powered craft
  - Respond to boating emergencies and incidents
- Yachting
  - Small boat maritime rules and regulations
  - Sail a yacht

Additional qualifications bundled with this program:
- Bronze Medallion
- Surf Rescue Certificate
- Level 2 Small Boat Sailing  Over $1200 worth of qualifications if purchased outside school
- Recreational Skippers Ticket
- Senior First Aid

Certificate II is an industry-developed qualification that articulates into a range of State Training Provider courses and careers. A full list of careers that connect to this certificate can be found at www.futurenow.org.au/isSportsRecreation

Year 12 students commencing this qualification in 2014 will receive partial credit.

This qualification is nationally recognised, provides up to 22 State Training Provider entry points and 8 unit equivalents for WACE
