Certificate II in Sport & Recreation

Certificate II in Sport and Recreation is for students seeking to enter a career in sport, fitness, community recreation, aquatics or sports teaching. The two-year qualification will train students to establish and conduct sports sessions with children ranging from primary school age to Year 8 and develop the latest skills in coaching, injury prevention and first aid.

Kent Street SHS has an extensive network of industry partners and contacts that will allow students to apply skills learnt at school through an industry placement of at least 5 days.

Units within Certificate II in Sport and Recreation are likely to include:
- Organise and complete daily work activities
- Apply first aid
- Respond to emergency situations
- Develop and update sport, fitness and recreation industry knowledge
- Follow work health and safety policies
- Operate presentation packages
- Assist in conducting outdoor recreation sessions
- Develop and update knowledge of coaching practices
- Coach beginner or novice participants to develop fundamental motor skills
- Provide equipment for activities
- Assist in preparing and conducting sport and recreation sessions

At the completion of this certificate students are **guaranteed entry** into a full-time qualification at Central Institute of Technology - the State’s leading provider of vocational training in sport and recreation. In addition, Central Institute of Technology has **pathways to University** study. Details of tertiary options are available from the Central Institute website (www.central.wa.edu.au).

Year 12 students commencing this qualification in 2014 will receive partial credit.

This qualification is nationally recognised, provides up to 22 State Training Provider entry points and 4 unit equivalents for WACE.
