Certificate II in Visual Arts

Certificate courses combine practical skills with industry level training allowing you to move into arts training or a career beyond school.

Certificate II in Visual Arts takes two-years to complete so is ideal for Year 11 students. The certificate links to the specialist fashion program and accommodates mainstream students with a general interest and aptitude in visual art.

Units within Certificate II in Visual Arts:
- Participate in OHS processes
- Use basic drawing techniques
- Make simple creative work
- Source and use information relevant to own arts practice
- Develop drawing skills
- Develop painting skills
- Develop skills in textiles or ceramics
- Develop printmaking skills

At the completion of this certificate students are guaranteed entry into a full-time qualification at Central Institute of Technology- the State’s leading provider of vocational training in the arts. In addition, Central Institute of Technology has pathways to University study. Details of tertiary options are available from the Central Institute website (www.central.wa.edu.au).

Year 12 students commencing this qualification in 2014 will receive partial credit.

This qualification is nationally recognised, provides up to 22 State Training Provider entry points and 6 unit equivalents for WACE.

Other Certificate II qualifications at Kent Street Senior High School:
- Conservation and Land Management
- Engineering (Trade Training Centre)
- Information, Digital Media and Technology
- Outdoor Recreation
- Sport & Recreation
- Sport & Recreation (Specialist Cricket Course)
- Business (through the Flexible Learning program)
- School-based Traineeships in various qualifications
- State Training Provider (TAFE) part time study
