That is, a school which has elected not to distribute Student SmartRiders to their students. Please refer to your school administration to check if your school is a participating school.

## Why do I need one

- If you do not present a Student SmartRider you cannot receive the Student 50 cent fare.
- A Student SmartRider is required to enable primary and secondary students to obtain concession travel entitlements, on all Transperth, Regional Town Bus Services and Transwa services.

2. The applicant's parent or legal guardian must sign the Parent/ Legal Guardian Declaration.
3. The application must be signed by an authorised officer of the school or college and must be endorsed with the school or college stamp to confirm enrolment status.
4. The application must be mailed with a \$5.00 cheque or money order payable to 'Monitor WA', to the following address:  

SmartRider; PO Box 10, Westminster, WA 6061
5. The replacement Student SmartRider card will be posted to the applicant's residential address within 7 days of receipt.

## Conditions of application

The Student SmartRider is issued subject to the conditions of the Public Transport Authority Act 2003 and the Public Transport Authority Regulations 2003 and conditions of travel determined by Transperth from time to time.

A Student SmartRider may only be used by the student to whom it is issued. A Student SmartRider is not transferable.

It is the applicant's responsibility to ensure that they meet the eligibility requirements for the issue of a Student SmartRider.

The information on this form will be recorded by the Public Transport Authority and used to verify the student's ongoing eligibility for the Student SmartRider with the nominated school or college.

By validating your SmartRider card, utilising the 50 cent student fare entitlement, you (i.e. a primary or secondary school student) will be agreeing to the following conditions:

1. You are not entitled to a seat on a Transperth train, bus or ferry, but rather may sit where a seat is not otherwise occupied or is not required by an adult at any time during your journey.
2. You are to produce your SmartRider card to a PTA security officer or authorised person (both as defined in the Public Transport Authority Act 2003), upon demand, for checking.
3. You are to stand for an adult passenger on a Transperth train, bus or ferry when no other seating is *available* and you are requested by a PTA security officer or authorised person to do so. In respect of a train, "*available*" means available in that train carriage.
4. Travel utilising the 50 cent student fare is not authorised if, during the 30 days before the time of travel (calculated as per condition 5 below), you have been reported by a security officer or authorised person to have failed to stand for an adult when no other seating is available. During the 30 day period, your student SmartRider card will deduct fares for journeys you undertake, at the standard concession rate.
5. The 30 day period starts seven days after you have been reported as described in condition 4 above, and expires 30 days after that start date.
