PRINCIPAL'S REPORT

1. **Cygnets Theatre** – I am happy to announce that my meeting with Alan Styles during the term one holiday period proved very fruitful. He has donated 100 student theatre passes and 40 adult passes for the school to use as incentives/prizes. Note that the next round of bonuses for parents who pay their contributions and charges by the end of this term offers a chance to win a family pass for four people to go to the Grand Cinemas. I also spoke about a fundraising opportunity and Alan has indicated that he would offer Kent Street a discounted price of \$8.50 per person – he usually sets his rate at \$14.50. If we chose a family friendly movie and charged \$20 per ticket, there is considerable profit to be made here. The theatre seats 500 approximately.
2. **Perimeter fencing update** – the fencing program is complete and locks were put on the gates as of Monday of this week. Whilst there might be a few teething problems, it is being well managed. One issue of student drivers going off site at 1.30pm – which they should not do – will be addressed as that set of gates near the gym are being locked during the school day.
3. **Student hosts** – In the past we organised a student host system that did not stand the test of time because it proved difficult to backfill if the rostered student was absent. Now that we have moved home room to the start of the day, we believe that this will be much easier to coordinate and letters will go home to parents of Year 7 in the first instance, asking whether they give permission for their child to be a student host once or twice in the school year. The hosts would miss home room, go slightly late to period one and also miss period five on their designated day. They would manage the school flags, lock and unlock gates at the beginning and end of the day, delivery packages and run errands. They would be expected to catch up on work missed so that their school work doesn't suffer. I hope that you consider this community service opportunity to be a good idea.
4. **Year 12 ESTs** – A new initiative of the School Curriculum and Standards Authority is the delivery of externally set tasks for all of the General courses (non-ATAR pathway). Kent Street has elected to conduct the ESTs in week four of this term. They will be used as a moderation exercise to compare results across WA and serve as good examples of tasks for teachers to compare to their own curriculum.
5. **Upper school exams** – Exams commence on Tuesday 7 June (week 7) and the normal timetable for upper school is disbanded for the six days of exams – concluding on Tuesday 14 June. ATAR students should use the time to study. Some teachers will be encouraging students to return to complete projects and we encourage any student to take advantage of this opportunity.
6. **Special note of thanks** – Nadia Chilwan, Year 12, represented Kent Street at the Town of Victoria Park dawn service on ANZAC Day. I had the pleasure of hearing her speak both at the school's ceremony on the last day of term one and again at the public service. She spoke beautifully about what ANZAC Day means to her and did her school proud.
7. **Events held from Easter to Week 4, Term 2** –
 - a. Degussa mine site visit – three female students and Ms Urbaniak participated in a fly-in/fly-out experience funded by Sandfire Mining.
 - b. Year 10 cricket camp
 - c. Cricket trial day – for new intake of students
 - d. EES fieldtrip to Shark Bay

- e. ANZAC Day assembly – last day of term
- f. Upper school Media/Photography camp
- g. NAPLAN
- h. Aviation testing day

8. Forthcoming events

- a. Year 8/9 Fashion camp
- b. School Board – Tuesday 24 May at 6.30pm
- c. Year 7 Lightning Carnival
- d. Specialist photo day – 1 June
- e. Year 8 vaccinations – 2 June
- f. Mining Challenge – mentor training at Curtin Uni – 3 June
- g. Upper school exams commence 7 June (after long weekend)
